[3] Waste (WS)

[3.3] Inorganic Waste Treatment

Example of Inorganic Waste Treatment (University of Thi-qar)

The University of Thi-Qar has started to deal with inorganic waste such as Waste Electrical, ink-cartridges, and Electronic Equipment in all campus buildings by collecting them together and delivering them to the town's municipality to treat and recycle them. Thi-Qar University has planned to construct a small project for recycling this waste to recover valuable precious metals and rare earth elements.
